The Story:

I called in in the hope that Macie was working
And she was
I saw her when I visited two weeks ago but at that time did not book in with her
Macie is a pleasant experience to spend time with
No questions asked to the service required so started
With a back massage with oil no asking to preference
But lucky she got it right
Then on with the over coat and down to some oral on me
Iask for some RO extrA ?10 kicked in for this
I finished my self off whilst watching her rubb her self
All in all service was ok.
I agreed to the extra charge The Chef
