The Premises:

Her place was easy to find, with clear directions, and everything just as she described it.

D describes the outside of where she lives as 'ugly', but I'd call bohemian. Full of character that added to my visit, with a safe and private entrance.

Inside her flat was a wonderful boudoir, intimate, and sensual, that oozes seduction and the promise of adventure. Lovely shower and facilities for refreshing afterwards too.

The Lady:

I felt like D had dressed up especially for me. Immaculate, seductively dressed, and with sophistication.

D is petite, with dark black hair, flawless alabaster smooth skin, sparkly eyes, delicious curves and the most mesmerising scottish lilt to her voice.

Her lovely skin and pert breasts caused me to suspect she was much younger than her advertised age.

The Story:

As a nervous newbie and with this as my first time, I wanted to be with someone special. I was intrigued by D's personal site, and had high expectations. They were exceeded.

She set me at ease, was friendly, easygoing, very outgoing, vivacious, and the most wonderful company. Her Real Lover Experience claim, was all that and more. I wanted something special and got far more. I felt like a wanted and needed lover, and that D enjoyed my company, and attentions.

Magical, exotic, and she left me wanting more. There was so much more to discover about D, and I left feeling that she would be willing to let me. I'm already wondering how soon before I can return.

If you want to feel as though you are the centre of the world for a few hours, make sure you see this

gorgeous lady.
