The Premises:

The location is a small, private flat with a buzzer entrance near Marylebone tube. This was a big punting area for me in the pre internet days.

The Lady:

Carmen is a busty (enhanced), white Brazilian student. She was wearing a basque, fishnet stockings and mini skirt.

The Story:

The session started with a really relaxing massage which included a foot massage that was especially soothing. I almost drifted off, but there were plenty of ball strokes to keep me interested and the offer of anal play which doesn't do much for me. I turned over and played with Carmen's boobs which, although enhanced, have lovely pink nipples. Carmen then gave me o without and finished me off with a slow hand job.
