The Premises:

Melanie came to visit me where I was staying in Aberdeen. ?Arrived on time and dressed discreetly.

The Lady:

Melanie is a lovely mature petite-ish lady with shoulder length blonde hair. Has baby blue eyes and a wonderful, if somewhat mischievous smile. ?Extremely attractive with natural curves in all the right places.

The Story:

I have had the pleasure of seeing Melanie a handful of times now, when I have been in and around Aberdeen, so thought I'd better get round to writing a field report. ?Melanie arrived wearing a smart fitted suit, with stockings and high heels all discreetly hidden under a long coat.

We hugged and kissed as soon as the door was shut, and after collecting a couple of glasses of wine retired to the sofa to relax. Melanie has a really warm and friendly personality, and right from the first appointment found myself totally relaxed in her company so we were soon having a chat and catching up on things.

Didn't take long though for things to take a slightly naughty turn, and very soon I rediscovered once again why she calls herself 'the headgirl'. ?Her oral skills are exquisite. ?Melanie then climbed on top for a slow sensual screw, after which I returned the favour and spent some time with my head buried between her thighs. ?Melanie really does enjoy receiving oral, and it was soon obvious that she was.

Melanie then went and got changed into one of her rubber outfits that she had brought with her. She has a large collection and came out wearing a little blue dress edged with white frills. ?We retired to the bed and spent a while just kissing and cuddling. ?As well as her rubber, Melanie had brought along one of her strap-ons, and so very soon, I was on all fours being taken by this lovely lady. ?She has a great deal of skill in this area, and really knows how to give maximum pleasure, and has taken her time to introduce me to this service and shown me how to enjoy the sensations.

The appointment culminated in a wonderful mixture of oral and HR, after which we lay back in each others arms until all too soon it was time for Melanie to pack up and leave.

Another fabulous time, and I can't wait until I have the opportunity to visit Aberdeen and to see her again. ?Whether you are looking for a GFE experience or something a bit more unusual, Melanie certainly delivers a special and wonderful experince. ?Well and truly recommended. ? ? ? ? ?
