As seen on website, absolutely stunning and naturally beautiful in person, in my opinion she sure is!

The Story:

This was my 2nd visit to see Valerie. I had no regrets, she is definately my kind of lady. Full personal is offered at her discretion, need not say anymore. She sure did me justice, as I just could not help stop complimenting her on her beautiful looks.

Besides the intimacy, I could talk with Valerie for hours as she is real nice lady and someone I can got on with on a personal & physical level.

Everyone has different experiences with different girls, but Valerie in my books is a special lady, not just physically, but also with a top class personality.
