The Premises:

House of Divine is well described in previous posts: it is safe, comfortable, and discrete. There is a wonderful maid here named Rhianna who always makes me feel welcome and relaxed when I arrive.

The Lady:

Kitty is a timeless beauty. She has a pretty face and a gorgeous body -- tall and slender with silky dark hair and soft porcelain skin. Check out her photos to get an idea of what you are in for!

The Story:

I had a fantastic time with Kitty. Sex with her is of the highest quality (we literally broke the bed) but this was not even the highlight of the visit. Kitty is very friendly and funny, right from the moment we met, and it didn't take long before we were laughing like we had known each other for years. Not too much chat though, as she likes to show off her amazing oral skills. It also must be said that she is pleasantly flexible, and once she wraps herself around you and reads your rhythm you are not going to last long!!! I was already having a great day but this visit was off the charts. Thank you Kitty, you are totally hot and I will be back to see you as soon as I can!
