The Premises:

Clean, safe and warm house in a residential area. Good clear directions on the phone which I confirmed with Google street view. I knocked, and had to wait no more than 30 seconds before the maid opened the door.

The Lady:

There were two girls working who introduced themselves to me one by one.

The first was, I think, Danny - quite pretty and sexy. But Sara greeted me with a passionate kiss (though I'd never met her before) so she got the job.

Sara is a young Portuguese girl (says she's 21) with a wonderful slim lithe warm body and lovely tits with prominent responsive nipples. Warm soft skin and a pretty face with a winning smile.

The Story:

Sara seduced me with energy, passion and skill surprising in one so young. Somehow she managed to fuck me cowgirl, kissing all the time while I enjoyed feeling her lovely tits and bum, so that my cock's usual aversion to rubber was forgotten and I came inside her lovely body with the most shuddering orgasm I've had in years.

I usually say that mature women are better for me (and they are) but Sara is an exception to the rule.

After the main event Sara gave me a nice gentle massage and invited me to massage her; I needed no second invitation. Next time I'll go more slowly and explore her more thoroughly. She is a sweet and warm companion and I have no hesitation in recommending her for an outstandingly good punt.
