The Premises:

Clean new apartment just east of the main shopping center.
Very safe, Very quiet. easy to park.
Lift that seems to take for ever.
Nice, clean and warm inside with carpets.
Very happy and warm and friendly maid.
Ensuite bathroom and carpets.

The Lady:

Gorgous Latvian blonde. Exactly as the photos. About 25, 5ft 8, Size 8, 34C chest.
Only been in England a while so abit tricky to communicate but seemed to get on very well.

The Story:

Arrived and welcomed in by the maid. Hadnt even taken my shoes off before Natalie arrived with a knock at the door.
Handed over the envelope and a brief chit chat before little light FK. Moving on to more DFK and OWO before RO and missionary to end round 1.
She popped in the shower to freshen up and then relaxed for a while in each others arms before she gave me a very nice massage (Someones been stealing my tricks)
Little chit chat. Shes only been in England for a short time but knows your please and thank yous (Well, I think it was "thank you")
Restarted with more OWO, 69, DT leading to a great CIM finish to end round two. (didnt notice her spit it out, if she did)
Relaxed and chatted with DFK and cuddling before going for a third time in cowgirl and doggy to finish off the time together.
Fantastic time with a very raunchy girl who is definately willing to please. Had a fantastic time.
Theres not many girls that I manage 3 times in an hour. In fact, I can only think of Megan whose done that.
Think Megan's definiataly got some competition.
I dont think shes going to be around long but hope to see her before she leaves.
