The Premises:

A spacious ground floor flat in South Kensington, busy area but discrete, the interior clean and the whole place felt both safe and comfortable.

The Lady:

Tammy's photos are spot on, what you see is what you get. Personality wise, she's bubbly, chatty and totally nuts in the best possible way,

The Story:

My first time at this... caper, so understandably the nerves were there but I need not have worried, I was in good hands.

I arrived a little early and was let in and offered a drink by a lovely little lady by the name of Rihanna, I also accepted the offer of a shower (and met Zena albeit briefly on the way) while I waited as the tube had been busy, once showered I was directed to the end room, tasteful decor and mood lighting, a couple of minutes later Tammy walked in wearing a very fetching little black number which disappeared all too quickly as we got acquainted.

The intimate details I promised to and will keep between myself and Tammy but I will say it was a very pleasant couple of hours interspaced with a few lively conversations, taken together the experience was both enjoyable and a bit of an eye opener, and although I didn't manage to 'finish the job' so to speak I couldn't have asked for any more from Tammy, I can wholeheartedly recommend and would definitely visit this young woman again.
