Very small flat, clean but a little messy. Briony had just moved in two days before.

The Lady:

Very beautiful girl. About 5'2" as her profile says. Lovely skin and petite body made for sin. Just as her pictures especially like last picture on her profile to the left

The Story:

Briony greeted me at the door at ground level and we walked up the stairs to her flat. When we came inside she took off her coat and showed me her body. She pushed my face to her breast and I gave her nipples a good sucking. Then off with my pants and on my back on the bed. Briony shifts between ordinary conversation and very filthy porn talk. I never experienced something like that before but it was quite a turn on for me. She craves cock and it has to go into her mouth as far as possible. The next hour continued with throat fucking and hair pulling. I think she really enjoys as she wanted me to do this to her in several positions. Then she wanted to lick my ass and boy she did a good job. Lovely rimming and I was told I had a beautiful asshole. Not the kind of things I'm told on a daily basis. She also enjoyed one of my fingers in her bum and her fingers slipped into mine as well. At that time I was wanking as she fingerfucked my tight hole. She took my cock in her mouth as I was cumming and I gave her a large mouthful. Off to the toilet she went to spit. At the end she gave me a massage while laughing and just enjoying herself. She is so kind beautiful commanding and horny. I'll be back.
