The Premises:

Flat is in a nice location.

Only really saw the bedroom and it was pleasant enough.

The Lady:

Aura is pretty much like her pics. She has an amazing body.

The Story:

Aura is certainly a GFE. I am not sure if she is shy or whether her broken english is holding her back, but she appears reserved. Feel she is new to this, as she did not offer me a shower.

However, she has an amazing body and is a gentle woman who will treat you very well. It's the closest gfe experience I have had. Especially the intimate moments.

Aura is certainly feels like a submissive experience. You pretty much take the lead. She is eager and willing though and I had a good time.

I would certainly recommend her, but I prefer my girls with a bit more bite e.g. Briony at Olina.
