### The Premises:

Nice flat about 2-3 mins walk from Notting Hill tube. Queensway is almost as close. Cosy, clean and nicely lit. The building has quite a few working girls' flats in it.

### The Lady:

Very sexy, and very busty Thai lady. Photo's on the website are pretty accurate, though she's probably slightly shorter than the 5'4" she's described as.

### The Story:

It's been a few weeks since my visit to Sakara, which was actually arranged through Sexy Escorts London, though she seems to have switched to A1 Asians now.

Sakara was warm and friendly from the start, greeting me upon arrival looking every inch the wanton sexpot in her silky lingerie. No doubting what her best assets are, as her awesome breasts were almost bursting out of her bra. Although I'm pretty sure they're enhanced, it's been a damn fine job.

Started out with a lot of FK and fondling. Just couldn't get enough of her amazing breasts. Then oral, both giving and receiving.

The website advertises Sakara as a "no-holes barred" escort, and I can confirm this is indeed the case. Once the condom went on, moving straight to A was no problem, and well worth it, given how incredibly tight she is. She really seems to enjoy it too. In fact with everything she was really open-minded and eager to please.

There's some girls you just click with and for me Sakara was one of them, which is what prompted me to write this review. I'll definitely be returning.
