The Premises:

Nice area near Paddington Station. Very nice flat. Clean bathroom with a big bath and huge TV in bedroom.

The Lady:

Very attractive, under 5 feet, firm body. Plenty of pictures on the website, but she is softer and more attractive in person.

The Story:

Took a while to fix this up but third time lucky. Started with a bath and ended with a massage. In between came anything I wanted delivered with skill and enthusiasm and (although this sounds a bit odd) affection. She gave me her full attention - no phone in sight - and made me feel special. She read my wants very cleverly, responding to what I wanted, but also making some interesting suggestions. Quite interesting conversation too although her English is charmingly quirky. All in all a wonderful time.
