The Story:

met at the door by what I can only describe as a goddess, Kit was wearing 5" stilettos accentuating those gorgeous legs with a thong and tiny T shirt which was barely to contain her magnificent chest (she has to be 34FF). she met with a smile and a deep passionate kiss which left me rock solid, in fact we kissed passionately whilst undressing each other for a good 5 mins before I felt the need to mention the financial arrangement. once out of the way the rest of the hr filled with passionate kissing, sucking and licking, with deep slow irresistible and unforgettable sex in more positions than I thought was possible.

gents, this is one VERY SPECIAL lady (Christ I'd even take her home to meet my mum), she is classy, gentle, intelligent and unbelievable sexy with a body to die for (in fact after our meeting I cannot remember my journey up to Scotland as all I could think about was her soft skin, long shapely legs, beautiful face and magnificent breasts).

If you are ever fortunate enough to meet her then treat her with respect as she deserves it. will I be revisiting her - YOU BET !!

is this report genuine, definitely
