The Story:

Executive summary. Wow...

Reasons: A wonderful lady, professional man pleaser, a good blend of sexiness and naughtiness. We talked playfully as we disrobed, then some tongue teasing, RO, OWO, RO, OWO, and more RO with my tongue deeply exploring her inner sanctum. Some covered mish, followed by my exploding torpedo, after just a few minutes. Then a few minutes of R&R for me while we talked. She liked my energetic tongue activity and gringo accent, and I complemented her on appearance, sexiness, etc. With plenty of time left, she brought my expired manhood back to life with her hands and lips, much to my delight and satisfaction. Gave her more deep RO with an added finger, too, that made her quite wet. Lastly, some doggie, even though I didn't cum again, it was a nice view, that I will savor. Final score: Ava, 3 (-1/+1) O's, me: 1. Did not see her "famous fountain". However she got really wet, tasted great, and I was not disappointed. She was lovely, fun, naughty, and a horny lady. She gets my nomination for babe of the year. A real head turner. I could never have landed a babe like this in a bar, even in my youth. So, muchas gracias, Annabellas.
