The Premises:

Well described elsewhere, a clean, cosy basement flat with a circular bed, easy to find with a discreet rear entrance

The Lady:

Jenny is slim, in her 40s, and (currently) a redhead, Jade is well rounded and in her 20s. Both are much nicer and cheekier in the flesh than in their pictures on Debbie's site

The Story:

Well, I think Jade and Jenny are goddesses. Well, what I mean to say is, on Sunday, they stage-managed the comings and goings of a busy flat, answered the phone, kept up a good-natured stream of filthy banter with waiting clients, made great tea, and still gave full and unhurried attention to the matter in hand when the time came for them to give me some attention.

This was my first two-girl session, and it lived up to expectations. Before it started I'd had a cuppa and a flirt with both girls, then the decks were clear and we settled down to it.

Jenny and Jade are relaxed, very dirty and laugh a lot. We started with a truly marvellous blow job - quite beyond anything I've experienced anywhere else - after which both girls got reverse oral and a fucking - though Jade's was courtesy of Jenny's strap-on.

A good time was had by all, and they made this new experience very relaxing and natural. I will be back for more with either or both of this pair, as well as some day, Debbie herself.
