The Premises:

located very close to public transport about a minutes walk from beckenham junction station in a nice clean flat which suits the business and is private enough and very safe

The Lady:

i could say chinese lady between 25-30 and quite well proportioned to my liking not too thin or fat i would say reasonably fit

The Story:

i think overally as one punter noted sometimes its better to go for the quickie ...there was an option to go for the 30mins for 60quid or 1hr for 100 quid ..chose the later..Normally in this case there tends to be a bit of foreplay didnt happen just went to straight sex then after a bit of a massage more sex though quite good in the vigorous sense one gets the intention its to get you to cum quick and within 30mins was being shown the door having paid for an hours fun so you will understand why i might not visit again there are better places about but will recommend her only for quickies
