The Story:

Slightly bizarre, but very memorable. Cassandra's first day there, I was her first customer, Paid for the Cum Twice experience.

Beautiful covered deep BJ, Quick taster cowgirl then down on her appreciative pussy licked her to orgasm. I was leaking so changed the condom onto some of the best doggie ever with her doing the work. Relaxed and unhurried, filled the condom.

Cassandra left the room to service punter number 2, the two Thai Girls came in and an expert massage, the tall girl at my head letting me squeeze her bum, the other paying attention to my recently shaved cock and balls, which they appreciated. Nicky kept me hard---

Cassandra return, round two, I made it 3 cums in an hour, attention from three girls. Will I return - What do you think!!.
