### The Premises:

The flat is located well, easy to find and very clean and also parking off road which is bonus for me. Safety wasn't an issue here as no one across the road watching in at all.

### The Lady:

Patricia is veeeeery pretty and she knows how to treat a man. Dressed well in a nice Bikini and heels, ex Swimwear Model which figures. Seems to be well maintained reall which I always look out for.

### The Story:

Well I have been off the scene for a long time so only wanted Massage with HR by someone who strictly doesn't provide a full service which is exactly what I found. Patricia was very welcoming, her massage was great, she was dressed to tease and please which I really like and she offered to undress me, after the magic words turnover she was great and as I paid for Nude and body to body that is what I got with a smile.... The HR at the end was great, slow, hard as she asked how I like it... After she cleaned me up and even laid down with me for a while before I had a shower and off I was. BUT I saw her friend on the way out and decided I will be back the next day! I will also report on her..... WOW x 10!
