The Premises:

They said they've recently moved from Old Kent Road, and it showed. A grotty, rather threatening place, although the entrance was discreet in that it was a plain door in a row of shops. A guy let me in, and there was another guy and the maid sat there (they were clearly in charge). The guy, despite looking fairly menacing, was polite and took me downstairs to meet the ladies. I had a choice of 2 and chose the younger girl, a Hungarian called Melissa.

The Lady:

Melissa was in her early 20's, shapely figure with big round tits, very pretty smile, and not bad English. About 5'5 tall.

The Story:

Melissa was the sweetest girl, which was as well given that the room was the worst I've ever punted in. She gave great oral (covered) and didn't rush at all. She then rode me cowgirl style and really looked like she was having fun, making all the right noises and smiles.

She is far better than her miserable surroundings, and I hope she finds somewhere better soon! I've ticked "Yes" I would visit this lady again, but only if she works somewhere else!
