The Premises:

Large modern apartment block near the center of Hounslow. Easy to find. Secure entrance in a busy area but you wouldn't be noticed. Felt very safe. She rents a room from a friend who is there but unseen. Lovely modern ensuite to freshen up in.

The Lady:

My thought when I first set eyes on Eva was "Bingo! hit the jackpot". She is gorgeous and has an attractive face you can't see in any pictures. Fabulous shape and proportions with perky grapefruit sized tits. Unfortunately, the long hair is fake; just clipped on hair extension. But she is very attractive without it on.

The Story:

I found Eva on "the other site" and was attracted by her lovely pictures, positive feedback, low price and a convenient location. Punter heaven!

So the good news is that she's a lovely girl to talk to. Polish but speaks English well. Great body. Good looks. She's also good communicating over email and phone so arrangements were easily made.

The bad news is that it wasn't a very memorable punt. She kisses with her mouth closed and oral was covered and not particularly good. On the plus side that makes her a low health risk. She's quite passive and lets you do lead things. Friendly but not that enthusiastic makes it somewhat mechanical.

I will recommend her because she's very nice, looks great and offers good value for money. But she's no GFE and not a PSE by any stretch.
