### The Premises:

Another well known location, not far from Blue Ice. Similar in furbishment and was shown to upstairs room with double bed. I had a choice of a blonde lady or Henna and i choose the latter.

### The Lady:

Small about 5ft 4in, small breasts and this Pakistani lady, age maybe 30 seemed to offer promise. A little on the tummy side though.

### The Story:

Not so great, sure we went through the process with covered blow job, followed by sex in 2 positions. I was thinking of 69 and i think vaginal hygiene was a turn off for me. May need to go for checkup gal? I guess i just wanted it to be over and left.
