The Premises:

Shared flat - fine for what we needed it far and even ok for parking.

The Lady:

5' 8" (about 6' in heels!), slender, with beautiful black hair. Photos on the web site give a very accurate description.

Stunning.

The Story:

Been looking for a replacement for the sadly retired Becky Carlyle and might just have found her!

Lana is one classy, intelligent and sexy lady!

If I were at my 20-years ago, sporting physique best, she would have been knocking me back on a regular basis.

Only downside is that, as she uses a shared flat, there has to be some element of clock-watching. We still managed to fill the time successfully though.

Treat her well guys...
