A BBW lady very nice and friendly, easy to talk to and get on with she can hold a convo.

The Story:

Seen this lady many times before and she is always good. Was taken to the bedroom as normal had nice kiss to say hello paperwork out of the way, on the bed for a massage she is very good at this I would pay just for the massage if I could, she takes her time that I do like turn over for a blowjob without, now her bjs are OK, I'm sure to other people she is great for me I prefer the sex she does try to go as deep as she can which is good, she says how I'm big and is hard to go deep for her (I don't know if she's just saying it to me or to everyone) well we then moved to the sex she got a condom and put it on and we were away mish doggy spoons any position you think of she will do it, I even once started doing anal with her in spoons was nice I must say I wish I could do that again, after some time fucking was time for me to cum, I do always like CIM, now she's happy to do this but when you're standing there to cum she has a wet wipe ready to spit it in doesn't break the mood a little it just seems like as soon as you cum it's in the wet wipe but hey no one is perfect.

All in all a good punt I always come back for more with Sophie she is a star.
