The Premises:

Well maintained parlour, comfortable and relaxing. I felt at ease as soon as I entered.

The Lady:

Charming busty girl in her twenties, with a sexy scots accent and a lovely personality.

The Story:

I was offered a choice of 4 girls on the phone. On arriving, surprise, surprise, only 1 was available. Luckily it was the lovely Chloe.

Chloe normally works at the Kirkgate Girltalk, but was filling in.

The pricing structure was complex, I paid ?10 on the door, and a further ?40, and this is what I got. Chloe stepped out of her tight black dress, leaving just a pair of fishnets on her curvy young body. After kissing her pretty face and lips, I was free to squeeze and suck on her big firm 34Ds, which I could not leave alone for the next half hour.

Chloe then massaged me face up, and I continued to caress her boobs and body.

She rolled a rubber on, and strided me for face to face cowgirl, breasts looking divine as they bounced in my face.

It felt like I would never come, so we went into mish, and I pounded a very loud Chloe, finally unsheathing and spurting on those fantastic boobs.

After cleaning up I cuddled her some more until it was time to let go of those boobs.

Beautiful face, great service, big knockers - pay a visit!
