The Premises:

Flat in a large terrace near the station. Fairly anonymous and safe.

The Lady:

Small very pretty Romanian girl with a nice smile, full lips, big eyes aged about 20. Medium large breasts which I think were enhanced, but were very nice in any case. Small neat pussy, shaven but slightly bristly but not unpleasantly so. Height about 5'3" and slim with a neat pert bum. Soft skin.

The Story:

Had spent the evening in a fruitless search and in fact had been to see one of the agency's girls who had turned out not to be what I was looking for. Full marks to the agency, when I told them of my problem, they tried to find someone else from my shortlist, and Daisy was available and nearby.

She was pretty and I had no hesitation on going ahead. I started to massage her and after about five minutes she was obviously beginning to enjoy it as I had slipped my fingers between her thighs to caress her little pussy.

Eventually, she turned over and I tried to engage her in a bit of reverse oral. She wasn't too keen and said that she was too ticklish. She then took over and after donning a rubber, (I didn't ask if she did it without) she got down to work giving my cock a good going over. This went on for about another five minutes, and I then suggested 69 to which she said OK.

She went at it again with great gusto and it was quite an experience having my cock sucked while gazing up at her beautiful slit and bum hole between her lovely thighs. After a bit I had to ask her to stop, and tried to slow things down a bit while I rubbed at her pussy which she clearly enjoyed. Soon she was back at my cock, so I thought that I'd better get on with fucking her while I was still able.

I started (and finished as it happened) in doggy. She had a wonderfully tight pussy and she felt fantastic as I penetrated her slowly and leant forward to caress her tits. She really was tight, and I felt her pussy go over every bump and bulge of my cock. Eventually this got too much and feeling

myself coming, I ripped off the johnny and deposited my cream over her upturned backside. She knew what i was doing and raised her bum up to make it easier.

We then got cleaned up - she didn't get dressed - she asked why I hadn't come inside her - I said it was a spur of the moment thing - and I left very satisfied.
