The Premises:

On Narborough Road in Leicester with rear discrete entrance up some stairs at the back. Plenty of parking in nearby side streets.

The Lady:

Matched description and photos on the website exactly. Very sexy lady. Blonde, slim with amazing big tits which were enhanced (she told me) but you wouldn't know.

The Story:

Very friendly and put me completely at ease. Asked if I wanted a massage but after I started snogging her and feeling those amazing tits this was forgotten about. Started with kissing and feeling her amazing body, then a lovely tit wank (who wouldn't), followed by a covered blow job and then me tasting and licking her lovely pussy. Then she lowered herself onto my rock hard cock (covered) followed by doggy over the bench, watching her big tits swinging in the mirror, mish and finished with me wanking and shooting my spunk over those massive, perfect tits. She makes all the right noises and talks dirty. Can't wait for next time. Finished with her making me a cup of tea!
