The Story:

I was up early this fine Sunday morning, and needed some afternoon entertainment, so made a trip up to MK.

Was met at the door by a stunning lady, given a nice kiss, her name was Holly, as other reporters have mentioned, she looks like a model, only she has a real woman's figure, dangerous curves, and a great butt,

Was quickly shown to the bedroom, and offered a drink, I tried to warm up, as It was freezing outside, a couple of mins later Holly reappeared and we got to know each other, I couldn't take my eyes of this lady, I had a huge grin on my face, Holly probably though I was mad lol,

I helped Holly get out of her basque, her boobs are more than a handful, obviously fake but well made IMO, took a minute exploring each other, holly got down on her knees by the bed and started giving me some fine OWO, she kept looking up at me with her lovely brown eyes, and got a great view In the nearby mirror too, also happy to lick my balls too, wow what a sight!

On to the bed and was given more OWO, Holly knows what she's doing, then moved Into a 69, with her on top, on with the condom and began with cowgirl, this was fun, got a face full of her big boobies, nearly suffocated lol, changed to doggy and then Mish, ended with Holly's long legs over my shoulders, great!

I had a very nice punt with Holly, wasn't wild by any means, but she is a good performer, and a friendly girl, I will return.
