The Premises:

A clean, smart little house on an estate. Easy parking and fairly secluded approach. I felt quite comfortable and anonymous. I was offered a shower both on arrival and departure in a clean modern bathroom, and a fresh fluffy bath towel to dry myself.

The Lady:

In high heels, Lady Godiva is the best part of 6 feet. She is very attractive, although quite heavily made up, with long dyed blond hair. She has a magnificent bust, which I suspect has had a little assistance and a voluptuous body, but not at all fat. Her profile suggests she is 34 and I would not argue with that. She welcomed me in a tight black skirt and blouse, hiding what I was soon to learn was a lovely set of matching lingerie, providing the perfect frame for the treat in store. She was warm, friendly and welcoming.

The Story:

This was my first visit to Lady Godiva, and she set me at ease immediately. An amazing and sensuous massage was followed by some awesome oral without. I then returned the favour on her fully shaven pussy, before moving on to the main event. All in all an outstanding punt with a delightful lady, nothing too way out but I suspect she may become a little naughtier with familiarity.

I was particularly reassured by her personal cleanliness and hygiene, and her attentive manner. I will certainly return.
