The Premises:

I think we all know about the way you get into the Parlour from other punts

The Lady:

Fairly nice lady a little mature but that was ok she was wearing a little black dress the showed off her cleavage

The Story:

the ladys came in and said hello there was 3 ladys on duty but i picked Jessica as she was a new lady so i thought why not new blood so to speak..

I was shown to another room by the recp and got undressed the lady arrived and the business started she started telling me all about the extra's she does i just went for the owo she then asked for the extra money i then got onto the bed and we started she gave me a quick massage and the i rolled over and she started to play with me i started to get aroused and she then went down on me for about 1-2 min and then on went the raincoat and she then asked what posion i went for her on top for about 5 min then she climbed off and started to wank me i then went for a backdoor to finish off..

then the session was over in about 20 min ..

When the recp came to let me out and asked how it was i said it was good and she then went and got me some money back as i was only there for 20 min..

I WILL RETURN BUT NOT TO SEE THIS LADY AGAIN
