The Premises:

Tucked away in a Peabody building just off Russell Square.

Quite safe and discreet. The flat was clean and seductively lit. The bathroom small but in good working order and very clean.

The Lady:

She is tiny and very slim with lovely breasts. Very cute and pretty facially with a very toothy smile

The Story:

After a mutual bath, with all the fun and games in the bubbles, we went into the bedroom. We laid on the bed and got into some prolonged DFK. She seems to get off on having her nipples sucked. She proceeded to give me very skilful oral including a good rimming. However, like a lot of oriental girls who offer rimming, she slipped a condom over her tongue. We then went for prolonged missionary and she came before I could. I turned her over and got her over the side of the bed for some doggie and anal. To finish I stood up and she gave me long and deep oral until I CIM. A very pleasant hour with a skilful girl who worked hard to please and succeeded.
