The Premises:

Basement flat with an unusual circular bed. Close to Anerley station and easy, free parking in the street behind the flat. On bus route(s) but don't ask me which! Front and rear entrances - I used the rear entrance as is my wont! Clean and welcoming including shower facilities.

The Lady:

Very attractive fair haired lady in her forties but with the body of a much younger woman! Very slim waist but with an hourglass figure, in particular her amazing breasts for which I have no reason to doubt the quoted 30H and they are very definitely all natural. Very friendly and accomodating nature.

The Story:

A really good session with a lady that very obviously enjoys her profession. Plenty of foreplay followed by very enthusiastic sex. Debbie has another winner here! Strongly recommended! My only concern is that she seems to come and go from Debbie's rota.
