The Story:

Inna is slim and tall with great legs. She has beautiful long dark hair, and a pretty face. Her photos have definitely been heavily airbrushed, but she is a nice looking girl in the flesh. She arrived on time and looked sexy in her heels. I didn't find her that interesting to talk to, and her service was average. I was a little disappointed, not because of her service, I just didn't really connect with her. Perhaps for some, this girl is great, because she is sexy and has a very pretty face, but I wouldn't book her again, I just didn't get the satisfaction I usually do when I've seen an escort.
