### The Lady:

i have visited many times but not seen this lady before and she impressed me so much i decided to leave this report for others to read Rianna was simply stunning long long legs long black hair very very sexy body i could not fault this girl in any way i was very pleased with my choice

### The Story:

it was drawing towards the end of a fairly quiet day for Rianna she mentioned as we talked she made me relax very quickly and the massage first on my back then on my front was second to none as i became aroused she started to stroke then kiss and caress around my stiff and now fully erect tool then started to lick and suck my balls driving me mad with anticipation of what was to follow. she dressed him and started long deep slow oral how i didnt come there and then i will never know? take it from a man with experience this girl is good!! i asked to stop because i knew i would explode if she didnt she climbed on top and started to ride me in the cow girl position then reversed round so i could see myself disappearing inside her as she rode up and down faster and faster again i had to ask her to stop. i knew i was in trouble here, against the ropes as to say. she turned around again to face me but still sitting astride me i could see all her beauty and played with her fantastic breasts licking and sucking them, we slowed down much more sensual even holding both of my outstretched hands whilst the feeling slowly grew inside both of us eventually i begged her to make me cum and she smiled looked straight into my eyes as she took control again getting faster and faster deeper and deeper, i could just not hold on i exploded inside her warmth and she kept going till i was done. she was fantastic and im not sure ive done the right thing by doing this report because i might have to share her now Rianna if you read this i cant wait to see you again YOUR THE BEST xx
