The Premises:

Nice, comfortable flat. It was a bit cold, but to be fair it was probably the coldest day of the year!

The Lady:

Louise is beautiful. It was my first "punt", and I'll be honest, I was expecting to find someone exceptionally different to the photos on the website, but I didn't.

She has the most grabbable ass on the planet!

The Story:

With it being my first "punt", I was nervous as hell. From the moment I picked up the phone, until I was led into the room, it was all very relaxed - so A+ for organisation (although that probably means something else on here!).

When Louise walked in (wearing stockings, suspenders and a nice clingy top), I was still a bag of nerves. Louise was wonderful, said I didn't need to be nervous and we could do whatever I wanted. To put me at ease, we started off with a massage - what can I say, you can tell Louise has had the practice ;-)

Once this had got me over the naughty schoolboy feeling, we got a little naughtier.....Louise just has the body and the mind you want to ravish. I had a bit of an explore which she seemed to really enjoy - if she didn't, she was making the kinda noises a man likes to hear!

I then got what I really came for - fantastic OWO to completion. Even though Louise thought she'd spilt some, I didn't see it. The girl is AMAZING at this - usually I can cling onto the enjoyment for a while, it just wasn't possible!

Having booked an hour, in advance, I was hoping for a couple of rounds. Don't get me wrong, they would absolutely have been on offer, but just lying there and chatting was the great end to a perfect first punt.

I did a lot of research before choosing Louise. I went for Louise because I felt she looked like more

of the "GFE" type - she certainly was. In fact there was a very funny GFE moment at the end, but you'll have to ask her about if you want to know more.

Will I be back for seconds with Louise - wild horses wouldn't keep me away. Has Louise sold me on the whole punting experience - big time, I may become an addict ;-)

Shame it's a yes or no on recommendation. If it was marks out of 10, it would be 11!
