The Story:

Alex is listed on the bbw.me.uk site and I have a thing for the more voluptuos ladies, made the appointment a few days in advance and turned up and she was perfect, the roundest prettiest ass I have seen in along time and nice firm DD tits, did a little chit and got one with the fun part, went down on her cleanly shaves pussy and gave some real deep DATY, she was wet in no time and tasted beautiful, she the got into the 69 position and as i got my thumb deep in her ass she really gave me a slow deep BJ and after a few minutes i was creamimng her mouth which she loved! Had a little rest and chit chat again and on with the mac and no place but doggy as I wanted the view of that gorgeous ass, gave her a real thumping and the harder i went them more she asked for, what a star! i was just about to come and came out and got my little general in between those huge tits for a good tit fuck eventually coming all over her tits which she promptly licked up! Anal was on offer but i was feeling pretty tired, but she was not having that gave me another sensual BJ and had me up again for a third time and this time was back to doggy with 2 fingers in her ass and finally coming deep inside her, for those who love BBW's go and see her you will not be disappointed
