### The Premises:

Flat on the first floor. Very clean with shower facilities. A few minutes from tube and quite safe, but parking might be a problem if you go by car.

### The Lady:

Young E.E girl in her early 20s, slim with curves and firm boobs.

### The Story:

Melani isn't the most beautiful escort girl I'd spent time with, but she is by miles one of the most eager to please. Be warned that she speaks very little English. She claims to speak German and Italian, none of which I understand. Her lack of English actually works for me as there was no time wasted on small talks and I was able to say all the nasty things I'd always wanted to say during sex, but never got round it for fear of upsetting the girl.

The session started with deepthroat OWO which was wet and intense. I held-on for a while before shooting my loads which she carried on sucking. Quite good. She then went into her bathroom for a few minutes, giving me time to recover. She then joined me again on the bed for a prolonged DFK and coddling. I then gave her reverse oral. She tasted sweet and nice. This got me going again. Second round was hot energetic sex, and she took it like a pro, even though she is new to the game.

Finished in the good old missionary while kissing like lovers.

For ?100, I couldn't ask for more.
