Very pretty girl with a fantastic body - superb pert bum. Enhanced breasts but very nice.

The Story:

Short delay to the proceedings because she had nodded off!

Very friendly and chatty from the start. Nice easy to remove outfit. We kissed and caressed for a bit then off with the clothes. After exploring her gorgeous body with my tongue for a bit, she gave me some very expert owo - nice and deep and churning. I returned the compliment, and I'm pretty sure she came - she loves a bit of tongue. A bit more owo then on with the cover for some very nice doggy followed by very deep missionary. Finally off with the rubber and a fine combined cim, facial and snowball to end [not my usual finale, but she indicated she was up for it.

A great session with a pretty, friendly girl
