The Story:

Haven't seen Paris in over a year. She's gone brunette now as the peroxide was damaging her hair. We started with a covered blow job which eventually came off for a little extra. Paris is so beautiful the sight of my naked cock in my mouth was very erotic. She remembered my oral skills were first class and lay back groaning as I made love to her pussy with my tongue. On her orgasm she took me again in her mouth with vigor but I so wanted to fuck her.

Starting in missionary we moved into doggy where I was able to fuck her for ages. Normally I come too soon with a new pussy but I was actually able to pump for a good while. She didn't want me to stop as she backed herself backwards into my thrusts. On coming I continued to pump her for two minutes as I remained hard. Fantastic punt.
