The Lady:

As described by others-- 5'4"" (without the sexy heels). Lovely nipples and a curvy figure. Shaved. Beautiful captivating eyes.

The Story:

We started with some wine and talk with Chloe showing off those stunning legs. We then moved to kissing and sensuous touching. Then off with my clothes and to the bed for a massage and then over on my back for a some (uncovered) oral. WE moved to a 69 for quite awhile and she brought me to the brink several times and actually came herself. She then proceeded to tease me with every part of her body until I was in a frenzy. She moved on top and we had sex including anal. Finally she finished me off expertly with a BBBJ and enjoyed every drop.

I haven't been this turned on in years -- a classy and sexy lady. I will see her as often as I can.
