The Premises:

The hotel itself was Ok ish. Problem was no postcode offered just the name of a road near a flyover by Highcross shopping area. Then it was a Street called Bedford Street and omitted fact it was north and not south. So spend 30 minutes finding this place and walked over a mile in some dodgy areas too. Room was boiling hot, hotel or intentional, see later.

The Lady:

2 out of 3 via adult works have been a disaster and so was this. Young girl, student 'on-tour' in a new city. Nothing like her photograph. Tazmine is about 22, 5ft 5in, overweight esp around middle and sadly hygiene not good, sweaty in a hot room, GFE.

The Story:

For some reason i choose 60 mins rather than 30. Kissing was non existent, not allowed to go down on her (relieved as there was an odour) and not really got into any useful positions. Gave up and wanted a shower, no soap by hotel! Left my trousers in room, i guess i am trusting. Anyway, when i left, i could not account for ?30 missing in my clip wallet.

So this terrible punt for 30-45 mins cost me f ?150.00.

Guys beware. i could have had a quality agency girl for that. Oh well.
