The Premises:

Very tidy flat close to victoria station.

The Lady:

Kimmy is 24 and has very good facial bone structure, size 12, and about 5'6 tall, with a good set of curves.

The Story:

Kimmy went out of her way to make this happen, and nothing could be too much trouble for her.

On arrival at the flat, I showered, as Kimmy made the coffee, and at my request we had a chat to get to know each other a bit, Kimmy is not only beautiful to look at, but has a great personality, and quickly put me at ease with her attitude, she was quick to get into a costume, and surprised me by being a french maid, complete with feather duster.

I took advantage of having her over the knee for a bit of spanking, and then set about enjoying myself on her body, which I think was enjoyed by both of us, and then she set about pleasuring me another way, which had more than the desired effect.

A no rush service, complete with coffee and a chat after, ensured that Kimmy does aim to give pleasure, and made me feel as welcome and happy as possible.
