The Premises:

The Old Coach House. Widely reported on. Good free car parking and fairly discreet. Well decorated with a "legit" feel to it. Clean, classy and safe, no smoke alarms though, naughty.

The Lady:

Isobella, 35+, 38DD 5'5", attractive sensual and classy. Well spoken and educated.

Jessica, new to the establishment. 23, size 10, 34D, as per the website. Both ladies are English and a pleasure to be with.

The Story:

Ego have a special at the moment with 2 girl massages, so I decide on an early Christmas present that I actually wanted. I treated myself to a full hour massage with body to body with the happy ending.

I was shown up to the room and showered, then sorted the financials (little hic-up here that was quickly rectified) and on with the massage. Well I'd just completed a night shift and was knackered so this was what I needed. Relaxing music and being pampered in the presence of 2 exquisite women. Their styles complimented each other well. Jessica was learning the ropes so Isobella took the lead. The hour was great, very sensual and yet relaxing, the anticipation of the happy ending was also excellent.

When I turned over it carried on and the pace built up, Jessica playing with me while Isobella carried on with the massage. I think poor Jessica's hand got a bit tired so she handed the happy ending over to Isobella who finished me off with explosive ease.

All in all an excellent, quality massage that I have no qualms in recommending to you, dear reader.
