### The Story:

This was probably my best punt ever! It was the first time I had met Nikki so was not surprised when she asked for payment in advance. As soon as we lay on the bed I realised that I was in for an enjoyable session. Instead of grabbing the old todger and trying to start him by hand like a vintage car, Nikki explored the rest of my body with her tongue and gradually an erection took place of its own accord.

Nikki gave me some excellent oral, slow and sensual. She then lay on her back and I enjoyed a few minutes RO before moving up and engaging in mish. Nikki made all the right sounds of enjoyment, not so loud to appear fake but gentle and, who knows, possibly even genuine. Although punts normally end with HR, Nikki felt so good that I shot my lot inside her.

Nikki has returned to her homeland for Christmas so I will have to wait until the New Year to see her again.

Nikki was MKE's Advent Girl of the Day so the booking was 45 minutes for ?60 instead of 30 mins. On a 30 minute booking there is pressure to finish in time which can be counter-productive and I'll probably book for 45 in future.

Note: I have written this FR in response to tushtaster's FR posted 13 December. I found Nikki's pics to be ?true representation? and I recognised her immediately. As I said, this was probably my best punt ever ? and I've had quite a few in my time! So good that I went back the next day for a repeat performance.
