The Premises:

The Old Coach House in Fenny Stratford. Reported on many times, and up to its usual immaculate standard. Although the showers are still a bit eccentric even after the replumbing.

The Lady:

Medium height (5' 6") lady in her late thirties i would guess. Darkish brown hair and very attractive looking. Large breasts, about 36DD, with very long nipples when they are aroused.

The Story:

I had originally booked to see one of my favourites Penny, but she was out on personal business when I arrived and was offered two alternatives, and chose Isobella.

When she entered the room I knew I had made a good choice.

I went for the body to body option and was most definitely not disappointed. The massage was quite light and very sensual, this got me aroused very quickly. The body to body was on both front and back, and having those large breasts and erect nipples rubbing up and down me was pure bliss.

If sensuous massge with a happy ending is your thing then I can recommend Isobella. If you want a more serious massge the try Nina, or Penny or one of the other girls.
