The Premises:

Decent flat in an OK area. Beautifully kept and furnished inside.

The Lady:

Vicky is about 5'5" tall, and a firm, curvy size 12 to 14. she has a pretty face, short blondish hair, large firm breasts (D cup I reckon) and is fully shaven. I find her very attractive.

The Story:

I had been to this flat before to see Vicky's friend Zora, and actually wanted to meet them both for a 3-some but Zora was out of the country, so I thought I'd go and acquaint Vicky and I so we had all met before I arranged the 3-some. I found Vicky delightful company and a very sweet girl. She kisses enthusiastically, gives great bbbj, has the most wonderful large firm breasts, and is a lovely partner. She is curvy and very firm and was open to a variety of positions.

After my shower, we stood deep french kissing and she fondled me under the towel, soon she dropped to her knees to give a really good bbbj, I then sat on the sofa and she knelt between my legs to continue sucking. Soon we moved to the bed where I gave her some reverse O while she played with herself. A short facesitting session was followed by putting on the condom and we had sex in mish, spoons, doggy and finally cowgirl - having Vicky sitting on me while I was sitting up with her gorgeous breasts in front of me was a beautiful feeling and sight. I managed a few more minutes in mish (by this time she was also enjoying herself judging by the wetness between her legs) and came by her bringing me off over her neck.

We had a nice kiss, chat and shower afterwards, and said our goodbyes both hoping to meet again soon.

Thanks Vicky - a truly lovely meeting with a truly lovely girl
