The Premises:

In a residential area, so chance of some curtain twitching, as neighbours must see men coming and going from the back of this house. Nice enough room.

The Lady:

Beautiful, sweet, polish lady, exactly as shown on the website. Slim, 34B, very pretty, lovely smile and sparkly blue eyes. Very friendly puts you at ease immediately but also knows what you're there for and willing to oblige.

The Story:

Never sure about these places, but took a gamble, and when the door opened and for once the lady was the same girl as in her website photos, the colonel took charge and off we went. She really is a stunner and really accommodating to whatever you want (as in whats on her likes rather than the 'extras'). DFK, BBBJ, 69 and then mish to first pop, followed by great, deep massage, and then into a second round of HJ, BBBJ and various positions to get to the second conclusion. Great GFE and great value.
