The Premises:

Excellent location near a Magnet retail park (on other side of building) and lots of discrete parking places. 1st floor of a building. Good rooms. really impressed with Nuru Massage Room with extended long shower area where a big air mattress is put down. Good value prices too.

The Lady:

Lovely 5ft 1in blond lady, small frame and with an air of confidence, been doing the job for many years and is 23 years old. Small breasts, 32c, lovely slim figure.

The Story:

My fellow punters made tips on whom to look out for and so i choose Heather on thier advice. Rock on lads.

She was a dream, massage took a bit longer than punters might expect and the nuru gel was cool as i lay on air mattress. Then let the sliding commence. Her pussy was a treat and a little unshaven and so i had my own GPS (general pussy surveillance) when she did he stuff on my back and then front with pussy teasing up to my face as she slid around. This mattress works better than a sheet on the bed. Shame no sex and so to acrobatics on small massage table though Heather was great with 3 positions and covered BJ. Heather, i had a great time with you, love and kisses.

I have some days off this week and so indulgence are ok i guess. happy Holidays.
