### The Premises:

Katie works from a new, clean flat in Yarmouth and also sometimes works in Hertfordshire.

The area isn't great but its safe and the flat is very comfortable.

### The Lady:

Katie is petite but has a fantastic body and a pretty face. Her bod really is superb and she always dresses well. Subtle sexy tats. Short brown hair.

### The Story:

You really can't go wrong with this girl - kissing, OWO and every position imaginable.

She is very friendly and a true professional. She met me in sexy undies with high heels, then it was straight down to action. Loves sucking cock, rode me like a cowboy, then reverse cowgirl, doggie and finally CIM although didn't swallow - who cares?

Best girl in Yarmouth by far and worth double the money.
