The Premises:

While I have put incall on the Type of Visit we didn't meet in Maria's home - we met in a discreet location that she frequents.

It was very clean, very safe and the room was delightful.

The Lady:

Maria is about 5'4" , dress size 16, with firm size C breasts, and shoulder length dark hair, she also wears sexy glasses. She is fully shaven. Maria was dressed in stockings, heels and a nice basque with no knickers when I met her.

The Story:

Maria also goes by the name of Lush Gusher, and I would recommend to anyone planning to get in touch to read her web pages first.

The whole date was set up perfectly. Maria and I exchanged several texts on the day confirming location/timings etc, and I called her from the car park so she could provide final directions to her room. She was already dressed in the heels etc and looked very sexy. We exchanged some kisses and chat and then I showered (and cleaned my teeth with the new toothbrush provided). the 'action' started with me on my front on the bed while Maria massaged me first with hands and oil, then her breasts and body, also lightly kissing my back and neck while breathing deeply in my ear. This was very sexy, she then turned me over and started slow, deep, wet bbbj. I then got her to sit on my face, and she was already very juicy, so I licked her gently and teased her with my fingers, and squeezed her firm breasts. She then got the towel on the bed, laid on her back and teased my cock around her pussy lips while playing with herself. After some mutual masturbation, on went the condom and after a short time Maria started coming, squirting copiously and deliciously on to me while I was still in her. We had sex in a few positions and she was in a constant state of breathless orgasm, playing with herself as I pounded hard into her, with both my cock and fingers. After she was spent she was kind enough to lie me on my back, take off the condom and bring me to a very satisfying orgasm.

A quick chat, shower and I was out having had one of the most memorable dates.

I will definitely see Maria again, when I have recovered.
